Report of The Centre Harbor Memorial Park Cemetery

At the special Town Meeting, August 26, 1970, the Town voted to establish the Centre Harbor Memorial Cemetery. The following persons were appointed to the Cemetery Board by the Selectmen:

Philip H. Bartlett, Chairman
Richard K. Caldwell
Mrs. Lewis C. Hanson
John P. Merrill
Gaylord S. Woodworth

The Cemetery Board elected Mrs. Lewis C. Hanson, Clerk, and John P. Merrill, Treasurer.

Test borings were made at the Cemetery by L. H. Turner Associates, Inc. of Wolfeboro, N. H., and also test diggings by Ambrose Brothers, Inc. of Meredith N. H., in order to ascertain the soil conditions. There appears to be about three to three and one-half feet of sandy loam, under which is hardpan. There is ledge in two or three spots but apparently no great amount.

Mr. Roger B. Merriman of Sandwich, N. H., has surveyed the Cemetery and furnished a preliminary plan, laying out a road through the northwesterly half of the Cemetery. This section will furnish the Town with ample burial lots for some time.

The Board is at present looking into the matter of fencing the Cemetery as required by law. On the northwest side there is a good stonewall. For the rest of the boundary lines, thought is being given to creating a hedge of evergreen trees, such as pine or hemlock. This would perhaps be more in keeping with the general picture of the Park type Cemetery than a wood or other type fence.

Mr. Edward Dane has graciously deeded to the Town of Centre Harbor a tract of land on the Northeast side of the present Cemetery, and consists of about two acres.

Rules and regulations have been established and approved by the Selectmen. We expect to have final plans drawn by Mr. Merriman and be in a position to sell lots as soon as the road is constructed, key bounds and markers are placed, and the ground plowed and seeded, all of which we hope will be accomplished this Spring or early Summer.

Respectfully submitted,

Memorial Park Cemetery Board

Report of the Planning Board

Town of Centre Harbor

Members:

During 1970 there were no changes in Centre Harbor's seven-member Planning Board. Dr. Carl R. Marshall's term expired and his reappointment was requested. Present members of the Board are:

Philip H. Bartlett
Edward Dane (Secretary)
Mrs. Roger A. Kelley
Rob Roy Macgregor (Chairman)
Carl R. Marshall
Aaron C. Smith (Selectman)
Lewis E. Woodaman, Jr.

Meetings:

Twenty-three regular meetings were held by the Board during 1970. Of these, one was a joint meeting in March with the Soil Conservation Service, to discuss a proposed amendment to the Town Subdivision Regulations. Six meetings were held with state officials and representatives of the Boston, Massachusetts, firm, Community Planning Services, in regard to the Town's Long Range Comprehensive Plan. One hearing was held in June on the amendment to the Town's Subdivision Regulations (see also under "Subdivision.")

Sixteen other meetings relating to planning were attended by Planning Board members, including a conference in Gilford, N. H., and meetings of the Lakes Region Planning Commission and the Lakes Region Clean Water Association.

1970 Activities:

The Board was concerned primarily with furthering the Long Range Comprehensive Plan during the past year. Work was also done in the areas of Subdivision and Zoning. One amendment was made to the Subdivision Regulations, and an amendment to the Zoning Ordinance was drawn up in 1970 to be put before the voters at the March, 1971, Town Meeting.

Subdivision:

As a result of two applications for large subdivisions in 1969 which were turned down because of soils conditions, the Board saw a definite need for a clear-cut correlation between soils types and the sizes of lots that would be required in a subdivision. A formula, or grouping of soils according to their ability to be used for septic tank leach fields, was sought so that there would be a clear and impartial basis for considering all applications for subdivision.

At the request of the Planning Board, the U. S. Soil Conservation Service did a great deal of detailed work classifying the 46 soils types which occur in the Town. (These are shown on the Town Soils Maps and in the U. S. Department of Agriculture publication, **Soil Survey, Belknap County, New Hampshire**, published in November, 1968.) These 46 types were divided into four groups, classified from well drained to very poorly drained soils. Using these groupings as a guide, the Planning Board can now quickly and reasonably decide on the adequacy of any particular lot for use as a homesite with on-site sewerage and water facilities. The Soil Conservation Service accomplished its work in March and April. A hearing was held in June, and Sections 5:3 and 5:20 of the Subdivision Regulations were amended on June 24th. Under this amendment the **Soil Survey of Belknap County** and the soils groupings therefrom are to be used as a guide in determining the adequacy of the area and soils of any lot to permit the use of on-lot sewerage and water systems. Per se, lot size will depend on the soil type. Subsequently in 1970, seven single-lot subdivisions were applied for and all were approved.

Zoning:

In the 1969 **Town Report**, a letter was included by the Planning Board requesting the opinion of the residents as to whether they were in favor of or opposed to further zoning regulations. (An ordinance covering buildings and signs was passed in August, 1969.) In all, ninety replies were received. Seventy-six (including forty resident taxpayers) favored zoning; fourteen (including eleven resident taxpayers) were opposed. In response to this, and because of haphazard development in neighboring towns, late in 1970 the Planning Board commenced work on an amendment to the Zoning Ordinance covering mobile homes, mobile home parks, and camping areas (see copy of proposed amendment in this **Town Report**). Voting on this amendment will take place at the March, 1971, Town Meeting. If the amendment is passed, the residents of the Town will have a reasonable control over this type of development. Restrictions on single mobile homes would be the same as for any other type of building.

Comprehensive Planning:

On July 20, 1970, the Planning Board received a letter from Mary Louise Hancock, State Planning Director, informing the Town that a grant had been made to Centre Harbor for long range planning assistance. In March, 1968, the Town had appropriated \$5,000 for this purpose. The federal government pays two-thirds of the total cost of such planning. Because the total cost of the contract will be about \$12,000, the allocation is for \$8,000. Consequently, the Town's share will amount to approximately \$4,000, or somewhat less than the original amount appropriated.

The Planning Board immediately commenced holding monthly meetings with Mr. John Atwood and Mr. David Wluka, representatives of Community Planning Services, of Boston, Massachusetts, a division of Alonzo B. Reed, Inc., the firm with which the Office of State Planning has made the contract for Centre Harbor's plan. Mr. Robert L. Ward, Principal Planner, Office of State Planning, has been assigned to Centre Harbor as liaison officer. He will coordinate the efforts of Town, State, and Planning Consultant.

The contract calls for twelve reports as follows: 1) Maps, 2) Land Capability Study, 3) Land Use Study, 4) Transportation Study, 5) Community Facilities Study, 6) Utilities Study, 7) Future Land Use Plan, 8) Special Development Plan, 9) Capital Improvement Program, 10) Zoning Ordinance, 11) Initial Housing Element, 12) Subdivision Handbook and Model Ordinance.

By the end of 1970, drafts of the first five of the above studies had been completed by Community Planning Services. Item Number Eleven, the Initial Housing Element, is being undertaken by Environmental Consulting Group, Inc., of Hanover, New Hampshire. Mr. William F. Malcolm, consultant for this firm, had completed the first phase of this study by the end of the year. Thus, work on the comprehensive plan by the year's end has shown progress but no significant results.

Residents of the Town are urged to attend all meetings of the Board with the Planning Consultants to assess and advise on the studies being made. The U. S. Department of Housing and Urban Development has issued a directive calling for citizens' participation in this planning effort, and a number of individuals have already taken part.

The 1971 Outlook:

Completion of the Town's long range planning program should be a major advance in 1971, and the plan should serve

as a guide to selectmen, planning board, and townspeople alike for the future development of the Town. It will also assure Centre Harbor's eligibility for federal assistance in sewer, water, or other community facility projects. The Board also recognizes many other things requiring attention, held over from previous years. Some of these are: replacement of shade trees, improvement of roads, additional recreation facilities, open space planning (in conjunction with the Conservation Commission), and other matters. Cooperation in the Lakes Region Planning Commission's efforts is also to be hoped for, primarily to ensure a cleaner Lake Winnepesaukee. The Commission is requesting \$628 as the Town's share of its proposed budget for 1971. This is necessary if it is to become a viable organization. (Regional planning is also a prerequisite for many federal funds.)

As in prior years, the Soil Conservation Service, Laconia Office, has provided invaluable aid to the Town, in working out the relationship between soils and the use of land for homesites. This service has been at no cost to the Town. Belknap College has also cooperated with the Board and the Town by providing duplicating materials and the use of its facilities when numerous copies of documents have been needed.

The faithful attendance at meetings and willing cooperation of all members of the Board have been of great value to the Board Chairman and to the Town as a whole. More than 375 man-hours of planning work have been given to the Town this year.

Again, an urgent request is made to all residents and property owners to participate more fully in the planning activities of the Town, especially during development of its long range comprehensive plan. Meetings with the consultants are held the last Monday of every month at the new Municipal Building at 7:30 P.M., or as announced in the **Meredith News**. These are open to all, and anyone interested is urged to attend.

Respectfully submitted,

ROB ROY MACGREGOR

Chairman

FINAL FORM

PROPOSED AMENDMENT

To The Zoning Ordinance Of The Town Of Centre Harbor, N. H.

Proposed Amendment

Mobile Homes

SECTION III—A

III—A:1 DEFINITION. For the purpose of this Ordinance, a mobile home is defined as a vehicle, other than a camping vehicle, designed for residential occupancy and capable of movement on highways as a trailer or self-propelled vehicle when properly assembled and arranged for this purpose. A mobile home shall continue to be considered as such even if partially disassembled, enlarged, mounted on foundations, permanently attached to service facilities, or attached to a permanent structure. Sectional homes, modular homes, and prefabricated homes are excepted.

III—A:2 USE OF VEHICLES AS DWELLINGS. No bus, truck, trailer or any other vehicle or body thereof, not originally designed and built for use as a dwelling or camp, shall be used for such purposes in the Town of Centre Harbor.

III—A:3 LOT SIZE. The lot containing the mobile home shall be of such size that the soils will allow for the septic tank method of

sewage disposal, but not less than 40,000 square feet in area. No other dwelling shall be contained on the lot. However, if public sewerage is available, the lot containing the mobile home shall be at least 20,000 square feet in area. The lot shall have at least 100 feet of frontage on the principal road of access.

III—A:4 SETBACK. a) No part of the mobile home shall be within 25 feet of the edge of the right-of-way of any public street, road, or highway.

b) No part of the mobile home shall be within 15 feet of any other boundary of the lot on which it is located.

III—A:5 MOUNTING. The mobile home shall be permanently mounted on a masonry foundation, and the area under the home shall not be open to view.

III—A:6 NONCONFORMITIES. Mobile homes in use prior to the enactment of this ordinance shall not be subject to the restrictions herein; and they may be replaced at the discretion of the owner.

Mobile Home Parks

SECTION III—B

III—B:1 PARK SIZE. A mobile home park shall consist of at least fifteen rental sites for mobile homes.

III—B:2 MOBILE HOME SITES. The individual site for each mobile home, exclusive of common walks and common interior driveways, shall be at least 7,500 square feet in area

III—B:3 SETBACK. No mobile home in the Park shall be located within 150 feet of any existing public street, road, or highway, or within 150 feet of any boundary of the Park.

III—B:4 SCREENING. A twenty-foot buffer strip within the 150-foot setback shall be maintained along all boundaries and public roads. Within this strip a dense visual screen of suitable shrubs and trees six feet or more in height shall be provided. Where natural growth provides the required density, it may be utilized. Remaining space within the twenty feet shall be kept open, with grass, flowers, shrubs, or trees planted. Such open space shall not be built upon, nor paved, nor used for parking.

III—B:5 ROADS and PARKING. At least two (2) hard-surfaced roads shall be provided for access to the Park, and one (1) hard-surfaced road for each site. The plans for such roads shall be approved by the Selectmen before construction, to assure adequacy for access by fire apparatus and other emergency equipment. Each site shall also have a hard-surfaced area for the parking of at least one automobile. The Park owner shall maintain such roads, driveways, and parking areas in good condition for use at all times.

III—B:6 GRADE and DRAINAGE. The Mobile Home Park shall be located on a site graded to insure proper drainage of water and sewerage, and freedom from stagnant pools.

III—B:7 MOUNTING. Each mobile-home site shall be provided with either a suitable masonry foundation for the home or with a hard-surfaced stand (pad).

III—B:8 UTILITIES. Community water and sewerage systems that satisfy all State and Town laws and regulations shall be provided and operated by the Park owner. Provisions shall be made for connecting the homes to power lines. Such water, sewerage, and electrical connections shall be made before occupancy of any mobile home and their use required.

III—B:9 REFUSE. The Park owner shall provide at least one (1) twenty-gallon garbage can with tight-fitting cover for every home. At least one collection of solid wastes each week shall be provided, and such waste shall be disposed of in a legal manner.

III—B:10 RECREATION AREA. The Park owner shall provide recreation area suitably prepared and maintained, totalling not less than 20,000 square feet, or not less than 1,350 square feet for each mobile home site in the Park, whichever is the greater.

III—B:11 PERMITS. No Mobile Home Park shall be permitted to operate within the Town of Centre Harbor without having a valid permit issued by the Board of Selectmen. The application for a permit shall be made in writing to the Board of Selectmen and shall contain the following information:

- a) The name of the applicant and the name of the real party in interest, or partners, if other than the applicant.
- b) Proof of ownership, option to purchase, or valid lease of the premises to be used as a mobile home park.
- c) A plat plan made by an engineer registered in the State of New Hampshire

III—B:12 FEES. Permits shall be issued on an annual basis. Renewal permits shall be obtained during the month of June for the following twelve months. The fee for the initial permit shall be \$25. The fee for the renewal permits shall be \$10.

III—B:13 RECORDS. Each owner shall keep a written record subject to inspection at reasonable times by a duly authorized officer of the Town of Centre Harbor. The record shall contain the dates of arrival and departure, the make, model, size, and serial number of each mobile home and the names of the occupants.

III—B:14 COMPLIANCE. All mobile home parks and homes therein shall comply with the requirements of other ordinances, laws, and regulations of the State of New Hampshire and the Town of Centre Harbor that apply to immobile housing insofar as they may be applicable.

Camping and Camping Areas

SECTION III—C

III—C:1 GENERAL. No camping vehicles shall be occupied, and no camps using such vehicles, tents, or improvised shelters shall be permitted outside of Organized Camping Areas except individual temporary camps located on private land with the written permission of the property owner or tenant, or on public land in accordance with the regulations controlling such camping; provided further that such camps are located so as not to be visible from any public street, road, or highway, or from any adjacent dwellings except those of the person granting permission. The provisions of this paragraph do not apply to camping by the Boy Scouts of America, the Girl Scouts of the U. S. A., or an organized camp for boys or girls which is located in the Town of Centre Harbor; or to temporary camps for people who are related to, or guests of, the owner or tenant of the property.

A permit is required for the operation of an Organized Camping Area.

III—C:2 SIZE OF ORGANIZED CAMPING AREAS. An organized camping area is defined for the purpose of this Ordinance as an area of land containing not less than ten (10) acres and having at least fifteen (15) prepared campsides.

III—C:3 SIZE of CAMP SITE. Each site proposed for camping with a tent, tent trailer, travel trailer, motorized camper, pick-up camper, or pick-up coach, shall contain at least seven hundred fifty (750) square feet, exclusive of public facilities, roads, and buffer zones.

III—C:4 SPACING and SETBACK. An open space not less than one hundred and fifty (150) feet wide shall be maintained along each boundary, lot line, or frontage along an existing street, road, or right-of-way. Entrance and exit roads are excepted. This space shall be maintained with grass, shrubs, or trees, and shall not be built upon, paved, nor used for parking.

A buffer strip twenty (20) feet in width shall be used for a dense visual screen of vegetation (shrubs or trees) where necessary.

III—C:5 ACCESS, ROADS, PARKING AREAS. Suitable access roads shall be provided to each site. An automobile parking space of not less than two hundred (200) square feet shall be provided for each site. Roads shall be of such design as to provide easy access for fire-fighting or emergency vehicles. A plan shall be provided showing the type and location of all roads.

III—C:6 REQUIRED FACILITIES. In addition to the above, the owner shall make available to each site a picnic table, trash receptacle, and fireplace of a design approved by Town Selectmen or State regulations where applicable.

III—C:7 WATER and SEWERAGE. Specific information and a site plan illustrating the location and type of sewage disposal system, the

source and supply of drinking water, washing and bathing facilities, and the means of firefighting shall be provided to the Selectmen on application for a permit.

III—C:8 SUPERVISION. There shall be a caretaker in attendance each day an Organized Camping Area is occupied. Such caretaker shall do whatever may be necessary to keep the park and its equipment in a clean and sanitary condition, to maintain order and to see that local and state ordinances and regulations are met. The management of each park shall assume responsibility for maintaining in good repair all facilities and shall take such action as is necessary to prosecute or eject from the grounds any person who willfully or maliciously damages such facilities, or any person who in any other way fails to comply with these regulations.

III—C:9 STATE REGULATIONS. In addition to the above articles, all Organized Camping Areas must be conducted in accordance with any State laws or regulations governing such activities.

III—C:10 PERMITS. No Organized Camping Area shall be operated in the Town of Centre Harbor unless the owner has a valid permit issued by the Board of Selectmen. Before issuance, they shall be satisfied that the conditions of this Ordinance have been met. Application for permit shall be made in writing and shall contain the following information:

- a) The name of the applicant and the name of the real party in interest, or partners, if other than the applicant.
- b) Proof of ownership, option to purchase, or valid lease of the premises to be used.
- c) A site plan showing boundaries, access roads, location of campsites, and plan of the water supply and sewerage systems.
- d) Permits may be revoked at any time on ten (10) days' written notice by the Selectmen for violation of any provision herein.
- e) Permits shall be effective for periods not exceeding one year from date of issuance and shall be renewable annually upon proof of compliance.
- f) The Selectmen may prescribe a charge for the issuance of such permit.
- g) Pre-existing camping areas may continue as presently designed, but expansion should be made in so far as possible in accordance with this ordinance. The Board of Adjustment should be consulted if waivers are desired.

III—C:11 RECORDS. Each owner shall keep a written record subject to inspection at reasonable times by a duly authorized officer of the Town of Centre Harbor. The record shall contain the dates of arrival and departure, vehicle registration, and the names of occupants of each campsite.

Report of the Forest Fire Warden and District Chief

The 1970 forest fire season was a quiet one in this area, quiet in part because of your continued cooperation and favorable weather conditions.

Fires that did occur were, for the most part, caused by debris burning, children and smokers.

The elimination of these three causes of forest fires would drastically change this picture — to bring about this change we make the following suggestions:

1. When the ground is not covered with snow a permit to burn must be obtained from the Forest Fire Warden. This permit covers waste burning, even if in an incinerator, grass burning, as well as garden trash and brush burning such burning is restricted by regulation to prior to 9:00 a.m. and after 5:00 p.m. with the following exceptions:
Commercial or industrial burning is permissible at any time under normal conditions but only with the approval of the District Chief and a written permit from the Forest Fire Warden.
2. Fires caused by children can be prevented only with the complete cooperation of parents in the supervision of their children, keep matches out of reach of children, this action will help to prevent fires and may save a life, the life of your child. Try to explain this to your child, won't you?
3. Forest fires caused by smokers can be reduced in number by the exercise of more care in the discarding of matches and smoking material whether from a vehicle or by a hiker. In all cases, make sure that the butt or match you discard is out, dead out. Smokey says, "Thanks for your help," and invites you to join him in setting a good example for others in the prevention of fires and the protection of our environment.

Number of fires reported and acres burned:

State	484 fires	—	244 acres
District	46 fires	—	16 acres
Town	0 fires
